6	UNITED STATES DISTRICT COURT WESTERN DISTRICT OF WASHINGTON			
7	AT SEATTLE			
8	MICROSOFT CORPORATION,			
9	Plaintiff,	No. C05-1922P		
10	V.	110. 005 17221		
11	CATHERINE WILL, et al.,	ORDER OF CONSOLIDATION		
12	Defendants.			
13				
14	This order is to be filed in case numbers C05-1922P, C05-1923P, C05-1924P, C05-1925P,			
15 16	C05-1926P, C05-1927P, and C05-1928P. The Court previously issued an order to show cause why			
17	all of these cases should not be consolidated pursuant to Fed. R. Civ. P. 42(a). The defendants in case			
18	numbers C05-1922P and C05-1928P filed objections to consolidation. Having reviewed the responses			
19	to the order to show cause and the balance of the records in these cases, the Court finds and ORDERS			
20	as follows:			
21	(1) Notwithstanding the objections filed by some defendants, the Court finds that			
22	consolidation of case numbers C05-1922P through C05-1928P is warranted. All of these cases			
23	present common issues of fact or law, and consolidation would advance judicial economy and permit			
24	more efficient case management.

1	Therefore, the following actions are hereby CONSOI	LIDATED for all pre-trial proceedings

4	Microsoft v. Will C05-192 Microsoft v. Hesson C05-192				
5	Microsoft v. Baker C05-192 Microsoft v. Ngo C05-192				
6	Microsoft v. Ham C05-199 6 Microsoft v. Huh C05-199				
7	Microsoft v. Mitchell C05-192	28P			
8		As the Court noted in its order to show cause, the parties in several of these matters have consented to			
9	proceed before a Magistrate Judge. However, the Court finds that all of the cases listed above should				
10	remain assigned to the undersigned judge for the sake of judicial economy.				
11	(2) The caption of these consolidated actions shall be " <u>In re Microsoft Partner Program</u>				
12	<u>Litigation</u> " and the files of these consolidated actions shall be maintained in one file under case number				
13	C05-1922P. All future pleadings filed in these consolidated actions shall be filed under case number				
14	C05-1922P and shall bear the following caption:

	ORDER - 2				

When a pleading is intended to apply to all of the consolidated actions, the words "All Actions" shall appear immediately after the words "This Document Relates To" in the caption set out above. When a pleading is only intended to apply to one of the consolidated actions, the case number that was initially assigned to that case and the last name of the first defendant named in that case shall appear immediately after the words "This Document Relates To." By way of example, a pleading that is intended to be applicable only in Microsoft v. Hesson (a case originally assigned case number C05-1923P) would state "This Document Relates To: C05-1923P (Hesson)".

- (3) The Court will issue a case scheduling order that will govern all the consolidated actions. The case scheduling order will specify a single trial date for all cases. However, it is not the Court's intent at this time to order consolidation of all cases for trial. The question of whether two or more of these actions should be consolidated for trial, as well as the sequence in which the cases should be tried, may be addressed after the close of discovery.
- (4) The clerk is directed to send copies of this order to all counsel of record and all pro se parties.

Dated: April 12, 2006
